Dear Children,

Daily Update

I hope that you are all enjoying the beautiful weather outside today. I have got my sunglasses on and I am trying to look very cool. I am not sure though that I am pulling off the cool look. I think I am too old to be cool!

I had a really long day yesterday. I spent around 8 hours writing a risk assessment to check that everything is safe for you to come back to school. It was difficult so I kept escaping to see the bunnies. They loved having a cuddle but loved the carrots more than me. They are happily sunning themselves at the moment. Although, Daddy Bunny has got a bit fed up with Bertie and chased him round the cage. He must have annoyed Daddy in some way.

I want to say a huge, "Thank you" to Charlie and Macy Illingworth for sending me a poster saying how fantastic Ryan Fraser is. For those of you who don't know who he is, he is an amazing footballer who plays for the mighty Bournemouth. The best team in the world! What sensible children to know this. Well done Mummy and Daddy for teaching them really important things. A massive thank you to them for making me smile today.

I am looking out of my office window at the Reception playground. It is much different to when you left. We have JCB diggers and workmen laying grass and making the play area look beautiful. It will be finished by next Friday. I will send you photographs when it is completed. I really hope that you like it.

The school is looking very tidy at the moment because not having you messy puppies in gives the teachers a chance to tidy up. Guess whose office is still not very tidy though? I am the biggest messy puppy in the school.

Mrs Armstrong's room is currently being made larger. They have knocked some walls down and it is a big mess. That won't be finished until September. It is only a year late. Hopefully then we will not have to have any more building work done ever again.

Keep smiling and being good at home.
Love Ms Clacy
