Dear Children

Daily Update

I hope that you are all keeping well and not giving your mums and Dads too much grief! They are your teachers at the moment. They are doing really well teaching you because we are sending you some really tricky, hard work to do.

There is no news on when you can come back to school yet. Prime Minister Boris is going to talk to everybody on Sunday to let us know his plans. What we need to make sure is that it is safe for you to come back to school. This nasty virus is causing us a lot of problems at the moment. If any of you know a Magician please ask them to wave a magic wand and make it all go away.

I have finished adding the pictures to the Power Point. I now need Ms Powell to help me turn it into a video. Some photos arrived after Monday so they haven't been included. But I really enjoy looking at them.

The teachers are coming into school on a rota to teach the children who are in school. All of their hair has grown really long. I must admit Mrs Spittle has cut my fringe for me. Mr Spittle suggested that he use the lawn mower to cut my hair! Isn't he rude!

I am going to attach a newspaper clipping of the lovely Kayden Howells in Reception. He sent his granny in Scotland a photo of a rainbow, who entered it into a competition. We are very proud of him. Well done Kayden!

If you have any good news stories I am happy to share them with the children

Much love
Ms Clacy
