Dear Parent/ Guardian,

Daily Update

As you will have seen on the news last night, the rules regarding movement has changed. We have all been told to **stay at home**. Our parents have been fantastic at working with us and our numbers have gone from 21 yesterday to 11 today. If your circumstances have changed and you can keep your child at home please do so. But we will still continue to open for those who have no choice whilst we can.

Breakfast Club

I am really sorry but as from today I can no longer operate Breakfast Club.

Easter Holidays.

I have made the difficult decision not to open over Easter. The Government have suggested we provide continuous provision throughout the holidays. However, my staff, have been working above and beyond and I am not going to ask them to open school. This will also give us the opportunity to enforce the self -isolation period. This is a head v heart decision and I hope that you understand.

Free School Meals

I have now ordered the hampers. We are struggling to find Baked Beans at the moment but you will get an alternative (I hope!) Please bear with us as we have to rely on our providers!

Please collect your hamper, from the school car park at 11 O'clock on Thursday. We will stop serving them at 12 pm. If you come at another time you will not get them and they will be returned to our supplier. Please keep your distance from other parents and our staff. Please do not think us rude if we do not have a conversation with you. We want to clear the hampers as quickly and as safely as possible.

Building Work

On a lighter note my building was meant to be finished next Friday. However, under new instructions this probably won't happen! I am fated never to get my new office after I have waited so long!

Kind Regards

Davina Clacy
