August 25th 2020

Dear Children,

Covid-19 Update

I hope that you are having a lovely holiday and not getting too wet in the rain today. I think that the weather at the weekend will be nicer so enjoy your last weekend before school starts.

Prime Minister Boris has said that it is safe for you to come back to school and I can't wait to see how much you have grown. A lot of staff are in school today making the school look very beautiful for your return on Thursday 3rd September. I think that we now have the prettiest and best school in the whole of Walsall. We are still waiting for the roof to go on the middle court yard and two cloakrooms to be constructed but we are nearly ready and we have no builders on site. Yippee!

Bruno is in today chasing after broccoli. He has been staying at Ms Scott's house over the summer and terrorising her chickens. He wants to play with them but they do not want to play with him. They think he is going to steal their food. It is a wonder he has not got a bonk on the nose from them for pestering them.

I will be sending your Mums and Dads information at the start on next week to remind them about arrangements for your return to school. Things will be a little bit different but we will soon get used to it and your teachers will be there to help you. Please do not worry about anything. We are really looking forward to you coming back.

If you were in Year 6 before the summer, and still have things in your locker, you are more than welcome to come to school and collect your stuff. Just give the office a call and we will help you to find your things. Children who will still be here in September, we will let you collect your belongings (including mouldy sandwiches and smelly trainers) when you are back at school. If you are desperate to have your things beforehand please contact the office. I would suggest putting a peg on your nose so that you can't smell the pong!

Enjoy the last few days of your holiday.

Love
Ms Clacy
