Tuesday 7th July

Good Morning Lovely Children

Daily News from Ms Clacy

I hope that you are still working hard on your home learning and being good for your Mums and Dads. Your teachers have told me that you are doing some fantastic work and that your mums and Dads are very good teachers.

The good news is that the last new classroom (the old computer suite) will be finished in 2 weeks and then all the builders will be gone from school. Do you know that they were due to finish building the school in August 2019 and it is now July 2020. So clever people how many months late are they in completing the job? Can you imagine what would happen if you handed in your homework a year late? You would be in so much trouble! It is not surprising that my hair has gone really grey in the last year. However, they have done a really good job and the building does look amazing.

Charlie Farley Cat Clacy had great fun last night running in and out of the cupboards in my kitchen. We have had to take all the doors and boards off because of the flood so he is playing hide and seek under the cupboards with Betty Boo Boo. It is very wet and dusty under the cupboards so when he eventually comes out he looks like he has slept on a rubbish dump all night. He then wants a snuggle and makes me dirty. It is a good job I love him because he is a naughty puss.

I have bought a new flag and parrot for the Pirate ship. Mr Spittle has put them up and they look amazing. If you are walking past school you might want to see if you can spot the parrot. I have named her Polly and I can see her from my new office window.

We still have some reports left in school. so if you haven't had yours yet please ask your mum or dad to collect them from the school office.

Have a good day.
Love Ms C
