Dear Children,

Daily News

I hope that you had a lovely weekend. I really did not enjoy Saturday night. I was so excited as I have really missed the football and what happened? Bournemouth were rubbish! My Year 6 football team could have beaten them easily. No, actually a team made up of the Bunnies, Guinea Pigs and Sylvester could have beaten Bournemouth. I think Sheldon, the tortoise, was faster than some of our players. I am dreading Wednesday when we play Wolves! I think we will lose 4 nil.

Teachers are working on writing your reports this week. I have to read them all and sign them. They will look a bit different from the old reports as we have only had half a year to comment on them, so we changed the style. I hope you like them.

Prime Minister Boris has said that we should all be back to school in September so fingers crossed. He also said that he is going to give Headteachers money to help you catch up. I have already thought of this and instead of employing 1 new teacher I employed two to make some smaller classes in Year 5 and 6. We will help you in other ways so please do not stress. I will also have a new Deputy Head coming at Christmas and Mrs Armstrong will hopefully be back as she has been very poorly. She is getting better and missing you so much. She sends her love. It is going to be so exciting when we are all back in school together.

It is going to be really hot this week so make sure you put plenty of sun tan lotion on and wear a hat if you are sat in the sun. We don't want you getting burnt as sun burn is very painful.

Much love
Ms Clacy
