15<sup>th</sup> July 2020

Dear Children,

This would have been the last week of term. We would have been preparing for your end of term service, parties and clearing out your drawers but unfortunately this is not possible this year. It's been a very strange year!

I wanted to write to you to wish you all a very happy holiday and tell you not to worry about coming back in September. These are strange times, I'm proud of you all for showing resilience and being strong. I know your last few months have been very different, but I know how amazing you have been.

Just like people look back at key events in history, you'll be able to tell people how you handled Covid. Your children and grandchildren will learn about 2020 in their history lessons and you can tell them what it was like to be home schooled or in small class bubbles.

Learning is an amazing thing. In life though, there are equally important things that make you a good person. Being kind is important, so is being able to share a smile. Being thoughtful and considerate is important and showing understanding for others is the biggest strength I can think of.

I am very proud of each and every one of you. (However, I have not missed your dreadful jokes!)

Take care over the summer and if you need us we are there for you. See you all on Thursday September 3rd.

Love  
Ms Clacy

PS And please do not forget to support Bournemouth!
