

English

Poetry- Autumn.

Non-fiction: The Gun Powder Plot

Narrative writing- retell the story of Leaf Man

Guided reading - to develop decoding and comprehension skills.

Maths

- Recognise and name common 3D shapes
- Identify properties of 3D shapes such as vertices, edges and faces.
- Read and write number sentences involving subtraction (-) and equals (=) signs.
- Subtract using concrete objects and pictorial representations.
- Compare, describe and solve practical problems for length, height, weight and mass.

In **RSHE** the children will learn the firework code and take part in a variety of activities during anti-bullying week.

We will be following the Jigsaw scheme unit of work 'Being Me in My World'

In **ICT** the children will be following the unit of work 'Lego Builders' from Purple Mash. We will learn about following and creating instructions in an algorithm.

In **RE** the children will be finding out about celebrations with the theme 'A world of festivals'.

Let's celebrate

In **Science** the children will be learning to identify and name a variety of common animals including; fish, amphibians, reptiles, birds and mammals.

The children will also be observing the changes that happen during autumn and winter and describing the weathers we associate with these seasons.

In **Art** the children will be painting, colour mixing, printing and using wax resist. They will find out about artist *Georgia O'Keeffe* and her art work. In **DT** the children will be using different mechanisms to create moving pictures.

In **History** the children will be finding out about important events beyond living memory in British history- focusing on Remembrance, World War 1 and World War 11

In **Geography** we will be discovering our local area and the facilities Darlaston has for the community. We will also be looking at where Darlaston is located on a map with England and the United Kingdom

Autumn Term

Year 1
