Dear Children

Daily Update

Welcome back to Home School. I hope that you had a good half term break. I spent a few days in school but did manage to get a couple of days at home. I tidied out every drawer and cupboard in my house. Poor Charley Farley and Betty Boo Boo wondered what was going on. Charley was not helpful. Every time I turned around he was sat in a drawer. Such a minx! Betty just sat sleeping in the garden. She is a very lazy cat!

Talking of Charlie Farley, I have discovered that he has a second home. He must go to another house when I am at work for food and snuggles. It is not surprising that he is such a podgy Puss! He came home on Tuesday all fluffed up and brushed. He is usually covered in leaves and dirt as he loves to climb trees.

All the teachers are in school today planning for our reopening for some year groups. We had to have a meeting via video link as we cannot all sit in the same room at once. It was very different. I am not sure that I like seeing my messy hair on the screen. We have put ourselves into a 'bubble'. This means that when you do come back to school that you will stay in the same area with the same staff. You will all have lunch together and play times together. This is to keep you safe. Mrs Brittain said that I could be in the Reception Bubble if I promised to bring them lots of cakes. She is very cheeky isn't she?

Talking of cakes, I tried to make some last week! What a disaster that was. I managed to burn every one of them. I even set the smoke alarm off. I bet some of you have been baking some really good cakes at home during lockdown.

I know that some of you will be very fed up with all of this. Things are starting to get easier and you will start to be able to see your family soon. Don't forget though it is really important that you keep washing your hands. This kills the nasty virus.

Have fun in the sun.
Much love
Ms C
